Detectives located approximately four (4) pounds of cocaine, a loaded AK-47 semi automatic rifle, in the suspect's room next to the cocaine, a loaded 9mm pistol and a loaded .38 caliber revolver in the family room couch cushions. Additionally, a large sum of US Currency recovered, along with scales, packaging and other narcotics paraphernalia. The suspect was located a short time later, returning to his residence. An additional large sum of US Currency was seized from his vehicle. The suspect's 10 month old son was at the residence at the time of the warrant service. The Department of Children and Family Services "MART" team was contacted, responded to the residence and removed the child from the home.
