R.E.A.D! @ AVC: Read! Educate! Activate! Discover!

This program is designed to **encourage children** ages 5–7 to read by reading to them, helping them to read and encouraging their parents to read to them.

AVC Library

Room 214—Upper Level

Saturdays • 10-11 a.m.

February 21 though May 16, 2015

The first session theme on February 21 will be “Love to Read” and on February 28 will be “Spring Green.” Each child who attends will receive a gift at the end of the story time.

Plan to join us.

Help your child disconnect from TV and electronic games and discover the wonderful and magical world of books.

For more information, please contact Gillian Ray at gray@avc.edu

While on AVC grounds, children must be accompanied at all times by an adult.
